worms in my garden this year. I am using Jerry's solution to trap moths; a bowl of milk and a light to attract at night. This works beautifully. I have made Jerry's solution/tinctures for white flies, powdery mildew, and his amazing tonic for my struggling rhubarb. Each solution tried so far worked great and most of the items in the recipe's I have had on hand. This is a wonderful go-to solutions book that I keep close at hand. BTW, I found this book used on for .41 cents - what a deal!1 of 1 people found the following review helpful.
