Jerry Baker : Jerry Baker's Green Grass Magic: Tips, Tricks, and Tonics for Growing the Toe-Ticklinest Turf in Town! (Jerry Baker Good Gardening series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jerry Baker's Green Grass Magic: Tips, Tricks, and Tonics for Growing the Toe-Ticklinest Turf in Town! (Jerry Baker Good Gardening series):

4 of 4 people found the following review helpful. Fun bookBy Brenn PennLoved the tips in this book. My lawn was in sad shape. Using many tonics faithfully from this book, my soil became conditioned and ready for other growing products. Before I started w. his tonics nothing worked. I could not grow grass to healthy permanent condition or keep

new grass for more than one season. Now it's green and thriving. Yes tonics are a lot of work. Using a tonic before and after applying lime for example. But it works. Its fun too. I'm outside more. Tip on using beer, be sure to apply a rinse tonic after any use otherwise you'll get slugs all over. Use the clean up tonic faithfully. Also, make notes. I put mine in categories and have mini reference sheets to use when outside and dirty.3 of 3 people found the following review helpful. greener grass and fewer weedsBy Valeriawe can't afford the landscape company services so my husband bought this book and we have used the weed killer and lawn fertilizer mixer ideas. our lawn looks as nice as the neighbors for much, much less. best option for the budget conscious like us1 of 1 people found the following review helpful. Comprehensive Resource with many effective ways to enhance your lawn and gardenBy David MarlerThis book is a great bargain. The purchase price is very reasonable and the methods work very well and they are relatively inexpensive compared to commercial products. The methods are also very environmentally friendly.This is an excellent resource for those individuals who want to have a beautiful lawn and garden. All methods in the book use safe products that most people have on-hand or that can be easily purchased at the grocery or hardware store. The methods have work great and my lawn is really beautiful.

This definitive lawn-care guide provides professional secrets, seasonal tips, and recipes for homemade fertilizers to improve the attractiveness and health of grass from seed to sod. Insider tips include how to avoid the most common mowing blunders, cure yellow grass with Epsom salts, and bug-proof a lawn with mouthwash. A detailed lawn-care calendar offers season-by-season advice on maintaining a thick, green lawn. Do-it-yourself homeowners, green thumbs, and gardening beginners will benefit from the tested, effective strategies for growing hearty grass using safe, inexpensive, natural products.
