Jerry Baker : Jerry Baker's Old-Time Gardening Wisdom: Lessons Learned from Grandma Putt's Kitchen Cupboard, Medicine Cabinet, and Garden Shed! (Jerry Baker Good Gardening series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Jerry Baker's Old-Time Gardening Wisdom: Lessons Learned from Grandma Putt's Kitchen Cupboard, Medicine Cabinet, and Garden Shed! (Jerry Baker Good Gardening series):

1 of 1 people found the following review helpful. Great old time information! Love Jerry!By Kat =^.=Hi! Like my

other reviews on any given Jerry Baker book, a great read, tons of information, written by a quick wit! I have most of his books, and will always keep for reference. Read all the reviews and make your decision! Have fun! Kat =^.^=0 of 0 people found the following review helpful. Five StarsBy PappaThis was a gift and she uses the information often.0 of 0 people found the following review helpful. Intertaining, interesting, informative, wish I had known his grandmotherBy Busy BeeI found the book "Jerry Baker's Old-Time Gardening Wisdom" to be a lot of fun reading, as well as helping me with some of my gardening problems. Also, helping to understand just how much fun and rewarding putting in a garden is. This year is the first time in my life I put in a garden. My neighbors, family and friends have noticed how pretty my garden is and how big the produce is and they can't believe I have had so much joy gardening with all the hard work. Actually, it isn't bad hard work when you love doing something. This book helped me want to get started. I can't wait to get my fall gardening plants lined out for when it is time to plant them. Thanks Jerry Baker for sharing.

Many, many years ago, Jerry went to live with his Grandma Putt, who had an amazing amount of knowledge and folklore about old-time, natural gardening. Although he resisted at first, Jerry was soon drawn into her magical world, where plants were treated like people and given kindness, courtesy, and respect. They, in turn, provided her with beauty, bounty, and an abundance of natural remedies. Grandma Putt shared her knowledge with everyone, and soon, Jerry was on his way toward a new relationship with nature. In this book, Jerry shares the gardening secrets and old-time wisdom he first learned from his Grandma Putt. In addition, he's added hundreds of tips, tricks, and tonics that he's picked up along the way, including chapters on: Victorious Vegetable Gardening; The All-American Lawn; Eating...Weeds?; The Spice of Life - Herbs; Puttin` By and Storin` Away.

From the Publisher Jerry Baker, America`s Master Gardener(r), is America`s #1 home and garden expert and fix-it specialist. He`s taught over 29.8 million people how to use common, household items to fix thousands of everyday problems. He has written over 40 books, including the bestsellers Green Grass Magic and The Great Green Book of Garden Secrets. Jerry has his own national call-in radio show, On The Garden Line, and he makes frequent TV appearances, including on QVC and his own top-rated PBS Gardening Specials. Jerry also publishes America`s Gardening Newsletter, On The Garden Line(r), which is jam-packed full of old-fashioned advice and home remedies that`ll lead you to garden glory. As the Detroit News has said, Everything Jerry Baker does seems to mushroom and grow, whether it`s writing, gardening, or personal appearances. About the Author Jerry Baker is the author of more than 50 books, including Jerry Bakers Backyard Bird Feeding Bonanza, Jerry Bakers Flower Garden Problem Solver, and Jerry Bakers Great Green Book of Garden Secrets, and his gardening specials have been widely televised on PBS. He lives in New Hudson, Michigan.
