following review helpful. Five StarsBy NoahsJerry Baker writes great books!0 of 0 people found the following review helpful. A very good book has a lot of tips and very good ...By Donna NutterA very good book has a lot of tips and very good info on what to do when you run into problems. I ordered this for a gift to give to a new gardener.I ordered this book several years ago when it first came out. I have been gardening for years and this book has helped me a lot. I was so afraid that I would have to give him mine. So glad that I found one.

Secrets to growing big, juicy, prize-winning vegetables using common household products such as beer, dish soap, and cola are revealed in this book of gardening tricks, tips, and tonics. Beginning and experienced gardeners alike will learn easy but effective techniques for growing, protecting, storing, and saving vegetables, from asparagus and beets to rutabaga and zucchini. Topics include planning a plot; weeding, feeding, and watering; and keeping plague and pests at bay. Revealed are secrets for fighting fungus with molasses, spreading wood ashes to grow a glorious garden, using herbs to protect against cabbage moths and carrot flies, and starting veggies in containers with coffee grounds.

About the AuthorJerry Baker is the author of more than 50 books, including *Plants Are Like People*, *Jerry Baker's Old-Time Gardening Wisdom*, and *Jerry Baker's Herbal Pharmacy*. His syndicated radio show, *On the Garden Line*, is heard nationwide, and his gardening specials have been televised on PBS. He lives in New Hudson, Michigan.
