From Storey Publishing LLC : Just in Case: How to Be Self-Sufficient When the Unexpected Happens by Kathy Harrison Spine Lean Edition (2008) before purchasing it in order to gage whether or not it would be worth my time, and all praised Just in Case: How to Be Self-Sufficient When the Unexpected Happens by Kathy Harrison Spine Lean Edition (2008):

0 of 0 people found the following review helpful. Five StarsBy Customerfull of really helpful information.0 of 0 people found the following review helpful. The book is excellent. I previously bought a hard-copy version and could ...By Sylvia C. SmithThe book is excellent. I previously bought a hard-copy version and could not find it since moving. I'd previously made the pickled beets recipe (delicious) so needed it again, but no book so got the Kindle version. I would have given this 5 stars, but some of the recipes are missing the quantities.2 of 2 people found the following review helpful. Just In Case: How to be Self-Sufficient when the Unexpected HappensBy Mrs. KrystyThis book gives great information on the subject. There are lists of items to have on hand as well as good pointers on obtaining practical skills that would help a family become sustainable if the " grid network " in part or in whole were not functioning. The info is easy to read and refernce,even if you are new to the idea. The author also points out that the unexpected can look different for each family. Job loss, Storms, or full out service disruption could challange people to perform simple tasks of daily life. Giving a little time and organization now can make the difference between struggling and comfortable. Reading and putting into play even some of the ideas in this book Just in Case: How to be

Self-Sufficient when the Unexpected Happens will give you comfort knowing you are really being a good provider for your household.
