Kelly Hoppen M.B.E., Helen Chislett : Kelly Hoppen: How to Achieve the Home of Your Dreams before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kelly Hoppen: How to Achieve the Home of Your Dreams:

7 of 7 people found the following review helpful. Typical Hoppen style By Kash Typical Hoppen style...few properties used. The book shows the same rooms on multiple pages from different angles. This is the same stuff regenerated into a new book, no new ideas. I'm not a fan. 4 of 4 people found the following review helpful. One Star By YVONNE ADENDORFF too much the same like all the other books 2 of 2 people found the following review helpful. Great book with good tips and ideas By Zeynep Great book with good tips and ideas. The only negative comment I would make is the printing/paper is not a good quality.

Kelly Hoppen offers a wealth of experience and advice on achieving your signature style, making this a definitive master class in home design. This book is a must for any home decorator wanting to give their home a touch of Kelly

Hoppen's distinctive style, the perfect combination of luxury with simplicity. Here, she reveals her trade secrets and shares her expert knowledge to ensure that your decorating project, however big or small in scale, runs smoothly, stays within budget, and achieves the look you want. In *The Groundwork*, part one of the book, she advises on basics, setting out the design process and weighing the choices, analyzing space, and working out what to do to improve the ergonomics of a home. She also identifies personal requirements and personal style. *Getting Started* looks at each room or key area in the home in detail, offering advice and ideas, highlighting the key issues and fundamental design principles applicable to each space, and providing helpful hints and guidelines on all aspects of decorating and furnishing that room. Ending with an invaluable address book of some of Hoppen's favorite sources, and with space to add the reader's own contacts and recommendations, this book is an essential companion to any home decorating project.

"British interior designer, Kelly Hoppen, offers a wealth of experience and advice on creating a signature style. *Kelly Hoppen: How to Achieve the Home of Your Dreams* reveals the author's own trade secrets and expert knowledge for running a project smoothly, staying within budget and achieving the look you want. The book's first section, *The Groundwork*, advises on basics such as setting out the design process, weighing the choices, analyzing space, and working out what to do to improve the ergonomics of a home. *Getting Started* looks at each room or key area in the home in detail, offering advice and ideas, highlighting the key issues and fundamental design principles applicable to each space, and providing helpful hints and guidelines on all aspects of decorating and furnishing that room." - EditorAtLarge.com
