**Kathleen Donohue : Kitchen and Bath Theme Design: An Architectural Styling Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised Kitchen and Bath Theme Design: An Architectural Styling Guide:

0 of 0 people found the following review helpful. Excellent book By Linda There is excellent information in this book. I would definitely recommend it to anyone who needs info on design themes. 0 of 1 people found the following review helpful. Good at one time I'm sure By MoniqueDC This book is short on color photos and very dated. You are better off cruising the stands for Tauton Press publications.

Beyond "basic" lies a rich world of kitchen and bath design possibilities. No better guide exists for exploring that world than this book. A wealth of information on thematic styles and how to apply them in these imporant rooms, this design resource can help you create kitchens and baths that complement, harmonize with, and enhance the architectural style of houses and interiors.

From the Back Cover Beyond "basic" lies a rich world of kitchen and bath design possibilities. No better guide exists for exploring that world than this book. A wealth of information on thematic styles and how to apply them in these important rooms, this design resource can help you create kitchens and baths that complement, harmonize with, and enhance the architectural style of houses and interiors. This book offers: a thorough review of design principles, including decorative aspects and details; an album of theme styles for kitchens and baths and directions for applying them; case studies of historical kitchens and baths and help with modern adaptation; more than 200 color photographs; 100 evocative line drawings; marketing ideas for promoting and profiting from them design expertise. Whether you want mastery of kitchen and bath design in the most popular styles, a source of inspiration, or simply a few ideas for decorative details, this book-developed by the National Kitchen Bath Association and the only kitchen and bathroom design design guide in full color-has it all.
