Mike McGrath : Kitchen Garden Box before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kitchen Garden Box:

4 of 4 people found the following review helpful. Great By ruth e boykin Had good info and room for seed storage. Fits nicely on my kitchen counter. Comes with seed storage pouches. My sister loves it. 4 of 5 people found the following review helpful. Great Gift By B. Stauber This is really a nice gift for someone just starting their gardening experience or a seasoned veteran like me! I especially like the seed saving tips and tools. 18 of 19 people found the following review helpful. Great information, tips, and recipes! By Dances With Words The Kitchen Garden Box offers lots of tips and recipes in addition to seed-storing envelopes. It is compact and organized much like a recipe box, but it contains all kinds of gardening tips for specific vegetables as well as improving your soil, watering tips, growing each vegetable from seeds and more. I'm really looking forward to learning more about each of the highlighted vegetables for a better harvest this year.

Reap What You Sow Again and Again! Here's everything you need to collect, store, and replant seeds of your favorite vegetables: Tomatoes Zucchini Beans Peppers Eggplant Pears Cucumbers Watermelon Pumpkins Inside you'll find 55 beautifully illustrated cards with simple step-by-step instructions, practical uses, delicious recipes, and 10 reusable seed envelopes ...and acres of gardening wisdom from radio personality Mike McGrath. Get ready to dig in!

About the Author Mike McGrath is the host of the nationally syndicated radio show You bet Your Garden, former editor of Organic Gardening magazine, and author of numerous books on vegetables, gardening, and composting. He grows his own peppers, tomatoes, and other delicious edibles at his home in Pennsylvania.
