NKBA (National Kitchen and Bath Association) : Kitchen Planning: Guidelines, Codes, Standards before purchasing it in order to gauge whether or not it would be worth my time, and all praised Kitchen Planning: Guidelines, Codes, Standards:

0 of 0 people found the following review helpful. Great Kitchen KnowledgeBy CustomerHad to buy this book for school, but it was great and very helpful.0 of 0 people found the following review helpful. Lots of information for kitchen remodelingBy CAMom42There is a lot of information, good information if you are planning a kitchen remodel. I decided to spend the money on this book because the cost of this book dwarfs the cost of the remodel so it makes sense to get as much information as possible before spending \$\$\$ on the kitchen.0 of 0 people found the following review helpful. Five StarsBy Michael ClaremontExactly as advertised

The leading resource for student and professional kitchen designers completely revised and updated Kitchen Planning is an essential reference for any designer working in the kitchen field, containing everything a professional needs to

know to design kitchens that are convenient, functional, and efficient, and that meet the needs of today's lifestyles. Based on the National Kitchen and Bath Association's Kitchen and Bathroom Planning Guidelines and the related Access Standards, this book presents the best practices developed by the Association's committee of professionals through extensive research. This Second Edition has been completely revised and redesigned throughout, with new full-color photographs and illustrations and a special emphasis on client needs, research, and references to industry information. Features include: New and expanded information on universal design and sustainable design The 2012 edition of the NKBA Planning Guidelines with Access Standards and up-to-date applications of the 2012 International Residential Code New information about storage, cabinet construction, and specifying cabinets Metric measurement equivalents included throughout A companion website with forms and teaching resources for instructors

About the Author The NATIONAL KITCHEN BATH ASSOCIATION is the only nonprofit trade association dedicated exclusively to the kitchen and bath industry and is the leading source of information and education for professionals in the field. With more than 50,000 members, it has provided valuable resources for industry professionals, students, and consumers for more than fifty years.
