**Joe Kertzman : Knives 2012: The World's Greatest Knife Book** before purchasing it in order to gage whether or not it would be worth my time, and all praised Knives 2012: The World's Greatest Knife Book:

0 of 0 people found the following review helpful. Just another great year in knivesBy Mark CutrightJust like the previous years, its a great annual publication on custom and production knives. There are a few articles in the front and a nice directory of the featured makers in the back, if you were so inclined to contact them.I buy one every year and with the exception of some hoaky commentary, it is a solid publication worthy of being in any knife lovers library.2 of 2 people found the following review helpful. Title is correctBy vikingThis is the world's greatest knife book. Not only are there the wonderful styles and varieties of knives, but there are practical and educational aspects to it as well. I would have bought it just for the article "From Beach Sand to Blade"- the rest was just a bonus.0 of 0 people found the following review helpful. Sharp bookBy Jeff DriscollTHE Source of all the worlds best knife makers work

In its 32nd Edition, Knives 2012 progresses with the knives, showcasing the increasing talent of the world's best knifemakers who forge and grind curvaceous blades, fashion handles from the finest materials and practice embellishment techniques saved for only the most skilled artisans. Featured articles: Carving titanium handles Making knife blades from Lake Superior beach sand Hollywood movie knives and swords Anglo-Saxon and Viking swords AND...the finer points of Bob Loveless knives Also Includes: World's most complete Directory of Custom Knifemakers includes websites, emails and phone numbers Hot Trends in handmade knives State Of The Art embellishments and knifemaking techniques Historical overview of knives and their makers Savor the hand-selected, splendid color photography of some of the most beautiful and original custom knives in the world, chosen from over 2,000 submissions. The ever-evolving, magical world of custom knives, knifemaking techniques and embellishments is captured in full, glorious color between the covers of the most coveted book on edged masterpieces-- Knives 2012.

About the Author Joe Kertzman has authored 12 editions of the Knives annual book, as well as the Art of the Knife, BLADE's Guide to Making Knives and four editions of Sporting Knives. Joe is also Managing Editor of BLADE Magazine.
