Marc Pouyet : Land Art in Town: Simple Inspiration Through the Seasons before purchasing it in order to gauge whether or not it would be worth my time, and all praised Land Art in Town: Simple Inspiration Through the Seasons:

In town, it is sometimes hard to remember that the natural world is all around us. Here are over one hundred simple, playful, inspiring pieces of land art made with easily found natural materials, in a city setting. For anyone who wants to step outside the urban whirl for a moment of creativity, for families and for educators, Land Art in Town is a rich source of inspiration, a reminder that beneath the concrete, there is the beach.

'For anyone who wants to step outside the urban whirl for a moment of creativity, for families and for educators, Land Art in Town is a rich source of inspiration. There are plenty of ideas here which are accessible for everyone, for example, patterns with leaves and pebbles, and they all enhance appreciation for the natural world around us.' Parents In Touch
