John Constable : Landscapes in Miniature before purchasing it in order to gage whether or not it would be worth my time, and all praised Landscapes in Miniature:

10 of 14 people found the following review helpful. Not for Dollhouse Landscaping By Donna Vaughn This book deals mostly with miniature landscaping in an outdoor setting and is not very useful for landscaping a dollhouse. Many of the plants recommended are very difficult to find and require an outdoor location. Very few indoor plants are mentioned. It's a Great book for someone interested in outdoor gardening in miniature. 2 of 4 people found the following review helpful. Good information that's hard to find By K. Fairchild An older book, nevertheless some good information not usually found in books here in the States.

Miniature living landscapes, with descriptions of plants and trees and clear instructions and diagrams.
