**From Brand: Time-Life Books : Landscaping (Home Repair and Improvement, Updated Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Landscaping (Home Repair and Improvement, Updated Series):

0 of 0 people found the following review helpful. Great addition to any first time home owners library of "How To" books.By Jean M. JuddWe have had these books for years in our library and have used them extensively for remodeling projects. As our children have married and bought their first homes, we have given them many of these same books so they can do their own remodeling projects.
