Acclaimed worldwide for his eclectic and highly personal interiors that mix style and comfort with adventure and art,

Lars Bolander showcases a stunning selection of his compelling interiors, sharing his unique inspirations and giving us privileged glimpses into how his intriguing creative process evolves. Each room truly does tell a fascinating story. With an international sense of sophistication, his sense of appropriateness and scale are also distinctively Swedish. Inspired by sources such as his extensive travels and an in-depth knowledge of artistic disciplines as diverse as glassblowing, sculpture, and literature, the results are intelligently curated but refreshingly laid-back.
