Scotts, Nick Christians : Lawns: Your Guide to to a Beautiful Yard before purchasing it in order to gage whether or not it would be worth my time, and all praised Lawns: Your Guide to to a Beautiful Yard:

12 of 12 people found the following review helpful. Great AdviceBy PJI recently moved into a new house where the previous owner kept great care of the lawn. Along with the whole neighborhood. To start off, i knew nothing about fertilizing, watering, and mowing the correct height. My old philosophy was to try and cut it shorter each time so that i wouldn't have to mow again anytime soon. Needless to say watering and fertilizing was out of the question. This book teaches you everything you need to know in order to grow and maintain a beautiful lawn. Here are some of the key points the book makes about maintaining a healthy lawn. Fertilizing 4 times a year (spring, summer, fall, and winter)

Watering methods mowing the correct height making patterns with a lawn roller (really cool)These are just some of the main points that really make a HUGE difference in your yard. With time and patience you will be on your way to a great looking lawn. Do yourself a favor, buy this book and take all the guess work out of yard work. Believe it or not you will become obsessed with how your lawn looks!0 of 0 people found the following review helpful. All you need.By John Wayne SmithThis book is perfect for anyone. It is broken down into multiple sections including people who just want a decent yard to a perfectly manicured lawn and also includes specific instructions on watering, mowing, fertilizing, and troubleshooting for all areas of the country and all types of grass and weeds. Very easy to read. Very easy to follow.0 of 0 people found the following review helpful. Photo makes a difference.By Six PackI like the quality of book, simple to read, especially for someone like me who does not enjoy reading. I can quickly scan through the book and find the answer with the photo or highlights. It got me what I need, perfect for a lawn care dummie.

Get the showcase lawn you've always wanted with this comprehensive guide, packed with expert tips and information from turf professionals.
