Michael KennaBy david john gaultMichael Kenna captures what we see in such a way that it makes you stop an look into the picture , the mystical use of early morning light and into the night , just love the texture you get from film and appreciate the skill needed to get the results0 of 0 people found the following review helpful. Not what I expectedBy K. EngI thought there would be more photos in this book0 of 0 people found the following review helpful. Le Notre's GardensBy BirdieI enjoyed the artist rendition of black and white images. They aren't necessarily sharp but have sharp and soft areas complimenting elements in the compositions. The photos are inspiring.
