before purchasing it in order to gauge whether or not it would be worth my time, and all praised Licht Kunst Licht:
Lighting Design for Architecture (English and German Edition):

The office Licht Kunst Licht was founded in 1991 by Andreas Schulz at two locations simultaneously, Bonn and Berlin. Today 26 employees work in the fields of office and administrative buildings, museums and cultural buildings, representative buildings, government projects, transport infrastructure, shopping centers, hotels and gastronomy,

outdoor projects and private construction projects. 17 selected projects show the scope of this office presented with more than 60 international awards. They include the Stedl Museum in Frankfurt am Main, the ThyssenKrupp Quarter in Essen and the New Gallery in Kassel.
