**Keith Bradford, 1000lifehacks.com : Life Hacks 2017 Day-to-Day Calendar** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Life Hacks 2017 Day-to-Day Calendar:

4 of 4 people found the following review helpful. Great Calendar, Great "Life Hacks!" By K. M. Schmit Life Hacks, is a new term, at least for me. We use to call them "short cuts," or "tips." Well, that lets you know that I'm an "older woman." LOL! Anyway, I wasn't going to take a peek at this calendar, until January 1st, but I decided to do so, so that I could write a review now, just in case any of you are thinking of getting this calendar for 2017. I just checked out the calendar, and I can't wait to start using it! The simple "life hacks" that I just read on the first 3 days, are great, simple ideas! On the back of each page, there is a puzzle, or another idea, etc. This calendar will be great to use, with wonderful "tips," or what they are now called, "Life Hacks." I hope you like this calendar, as much as I know that I'm going to like it. This might just have to be a calendar that I order year after year. Update: January 26, 2017: I absolutely LOVE this calendar! It is now my go-to year after year. I love that there are fun facts, puzzles, etc. on the back of each page. What a wonderful source of information and fun, packed into such a small thing. Excellent! 0 of 0 people found the following review helpful. It's just a calendar after all...not clever or anything new. By KJS More common sense days than actually innovative or clever ones. Most "hacks" are not hacks at all but recycled tips from our parents or have already been listed in web articles or magazines. 0 of 0 people found the following review helpful. Personal

PreferenceBy Goks1211My step Dad loved it. He sat there reading it on Christmas and enjoyed it. He likes this sort of thing. He will probably have it in 3017.

Life Hacks are tips, tricks, and shortcuts that solve common problems, make life more efficient, or sound so easy and fun that you just have to try them. The Life Hacks 2017 Day-to-Day Calendar contains helpful hints to read and share, like how to improve your memory, remove ink from clothes, get great service at a bar, stop a sneeze, win at rock paper scissors, salvage a wrinkly shirt, and more.
