### Mar Jennings : Life on Mar's: Creating Casual Luxury (LIFE ON MAR'S A FOUR SEASON GARDEN)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Life on Mar's: Creating Casual Luxury (LIFE ON MAR'S A FOUR SEASON GARDEN):

2 of 2 people found the following review helpful. So Good You'll Want To Display AND Read Cover To Cover By C. Smith Where to begin with all the superlatives I could give to Life on Mar's Aside from the debonair good looks of Mar himself, the photography is the first thing that you notice. It's exquisite. The images bring your attention to the nuance and the delicate beauty omnipresent in Mar's design philosophy. You can flip through the pages of the book without reading a word (although you should read every sentence!) and still come away with a sense of Mar's style, his advice and his aesthetic the images and the vignettes can almost speak for themselves. But don't be fooled into thinking the text is an afterthought. Mar's design principles are clear and easy. Mar's gardens make you want to set up camp to experience his roses and succulents and planters in the morning with a mug of coffee, in the afternoon with a cup of tea, and before bed with a cocktail (or MARTini). Life on Mar's is a work of art to leave on your finest coffee table, but it's also a textbook to study before bed and scribble in the margins in order to elevate your own interiors and design point of view. 2 of 2 people found the following review helpful. This book would be a great addition to anyone's collection! By P. Smith I just received this book and have to tell you that it is one of the most high end books I have ever purchased. This book not only has the best information but the photos and the quality of this book are just amazing. I

highly recommend this book as a coffee table addition to your collection and it would make a very classy gift to anyone. This is my first time reviewing anything like this on and I felt the need to let customers know what a great investment this book would be. 0 of 0 people found the following review helpful. His design ideas were excellent because I really could find ways to apply it ...By Veronica Campbell This book so clearly executed steps as to how to achieve what Mar calls "casual luxury" in my home. His design ideas were excellent because I really could find ways to apply it while still using my own ideas. Also, the book itself is beautifully done. Amazing, clear pictures and a great layout.

NOW ON AMAZON PRIME: MAR'S CORE DESIGN PRINCIPLES COME TO LIFE IN HIS DESIGN SHOW, "LIFE ON MAR'S: THE HOME MAKEOVER SHOW." SEASON 1 AVAILABLE NOW.

About the Author Emmy-nominated TV Host, Lifestyle Expert and best-selling author Mar Jennings is known for his signature style: Casual Luxury. He is a master at making it quickly understood and easy to apply with his trademark tips and techniques--Casual Luxury made simple and sMART. Mar's inventive and original blueprint for design infuses Mother Nature's colors and textures throughout the home and garden. For the first time he shares how Casual Luxury can be broken down into six design principles that anyone can apply. The book invites us all inside his Westport, Connecticut, home, as we explore with him his six design principles for creating a Casual Luxury home, room by room. This deluxe oversized coffee table book is filled with photographic essays highlighting his philosophy, plus practical applications and resourcefulness applicable for any home or space. Like an entire season of a design show, LIFE ON MAR'S: Creating Casual Luxury will allow readers access to an encyclopedia of great ideas to apply in their home. This lifestyle expert does it with simplicity and style, balancing natural solutions with everyday elegance. Having a beautiful home or apartment is an attainable goal, says Jennings. If I can do it by mixing price points, my personal style, and local resources then you can, too! His award-winning website [marjennings.com](http://marjennings.com) is one of the best resources for home and garden tips. Mar has served as host and producer of an Emmy-nominated lifestyle show featuring the best of the best from along the eastern seaboard, and as an in-house host and lifestyle expert for FOX. He is also an expert for [Celebrations.com](http://Celebrations.com), and a correspondent and home and garden expert for *The Better Show*, a nationally syndicated lifestyle TV program that centers around all things which aim to make your life better. Mar has appeared on ABC, *The Today Show*, HGTV's *White Room Challenge* and *Flea Market Flip* and many more. Connecticut viewers will also know Mar as host of the *Dream Room Makeover*, *Dream Wedding*, *Backyard Makeover*, and many years of the annual *Holiday Wishes* series. As a top lifestyle expert, Mar has been featured in *The New York Times* and *The Wall Street Journal*. His home and gardens have been profiled in many national publications, including *Better Homes and Gardens*, *Decorating* magazine, *Home* magazine, *Quick Simple* magazine, *Creative* magazine, *Small Gardens* magazine, *Westport Magazine* and *AtHome* magazine. In addition, his gardens were chosen and featured in *In the Garden*, a pictorial essay by renowned photographer Stacy Bass. Mar Jennings is also the author of the best selling *LIFE ON MAR'S: A Four Season Garden*, a nationally acclaimed gardening book, sold world-wide.
